1006

At present, 50 per cent of the divisible net proceeds of income-tax (other than Corporation Tax) is assigned to the States and distributed among them in the following percentage ratios: Assam—3; Bihar—12·5; Bombay—2, Madhya Pradesh—6; Madras—17·5; Orissa—3; Punjab—5·5; Uttar Pradesh—18; and West Bengal—13·5.

Seven out of the eight Part B States are also now entitled to share in the proceeds of the income-tax along with the nine Part A States.

Various bases have been suggested for allocating income-tax:

(i) the *collection* of income-tax in the various States;
(ii) the amount of income-tax realised in respect of incomes, wherever earned, of individuals *resident* in the different States;
(iii) the collection of income-tax in the various States adjusted with reference to the *origin* of the income;
(iv) the relative *population* of each State;
(v) the relative volume of *industrial labour* in each State;
(vi) the *needs* of the different States according to various criteria; and
(vii) different combinations of the above factors.

Claims are advanced for grants-in-aid on the basis of needs for balancing the budget, for brining up the level of administration and raising the standard of social services in certain States and backward regions, for implementing some of the Directive Principles of the Constitution, for economic development, for bearing special additional burdens or dealing with disabilities consequent upon partition, etc.

Further points which arise with respect to grants-in-aid are whether the grants should be general or specific, conditional or unconditional.

Before making their recommendations, the Finance Commission would welcome the views of all who may have made a study of these questions. The views may be set forth in a written memorandum and sent to the Secretary, Finance Commission, 'Faridkot House', Lytton Road, New Delhi, on or before April 15, 1952.

(P.N. No. 321—14-3-1952)

Press Note.

Family Planning Clinics in the Victoria Hospital.

The Superintendent, Victoria Hospital, Bangalore, has reported that arrangements have been made to hold Family Planning Clinics in the Victoria Hospital, every Wednesday between 4 P.M. and 5-30 P.M. There is urgent need for Family Planning owing to the ever increasing population and the present day maladjustment of families. Much damage can be prevented by consulting doctors in time and taking their advice on Family Planning. It is with this object that Family Planning Clinics are proposed to be held in the Out-patient Department of the Victoria Hospital every Wednesday, to offer professional advice to all family women, free of cost.

The public are requested to take full advantage of the advice offered at there clinics.
